FIVE ELEMENTS

EVIDENT RESULTS OF USING NATURAL

We believe that healthy skin brought about by the power of nature is the essence of true beauty. We balance the Yin and Yang that exist in all things and enhance the synergy of the five elements, Wood, Fire, Metal, Earth and Water to maximize the skin's innate ability to be healthy. Using natural science and incorporating ancient Japanese health methods and wisdom, this skincare line can be used with peace of mind, even when our individual needs are affected by the seasons, ageing and changes in our environment and physical condition.
