

Cleaning Type 1: Daily Clean

- Cleaning of kitchen and bathroom
- Towel change (if required)
- Garbage collection
- Making of beds
- No linen and room wear change
- No vacuuming of your suite

Cleaning Type 2: Stay Clean

- Cleaning of kitchen and bathroom
- Towel change (if required)
- Garbage collection
- Making of beds
- Linen and room wear change
- Dusting and vacuuming of your suite

In cases where the stay clean schedule falls on the day before the check-out date, our Front Desk team will ask during check-in whether guests would prefer to reschedule their stay clean service for a different day.

Please note the housekeeping team will not organise or tidy guests' belongings to ensure nothing is misplaced or disposed of by error. The cleaning team will only handle dishes left in the sink and dispose of rubbish placed in the rubbish bin.

Room Amenities & Extras

As part of our commitment to reduce waste and protect the environment, Setsu Niseko has developed policies that help achieve this whilst maintaining guest service levels. Further, we have selected products based on their environmental impacts, sourcing Hokkaido made, choosing recycled and organic based products where possible.
